OBJECTIVES

At the end of this presentation, participants are expected to;

- ❖ Interrogate concepts of policy and governance in education
- ❖ Explore the implications of the concepts in quality education delivery and
- ❖ Propose policy guidelines for implementation

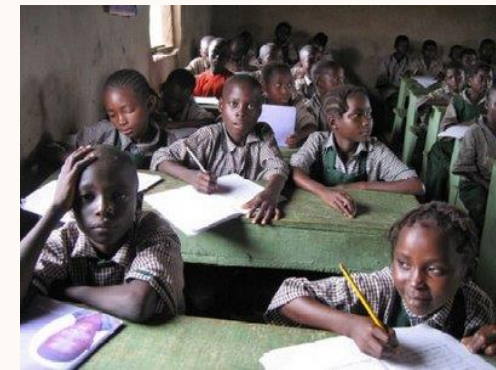

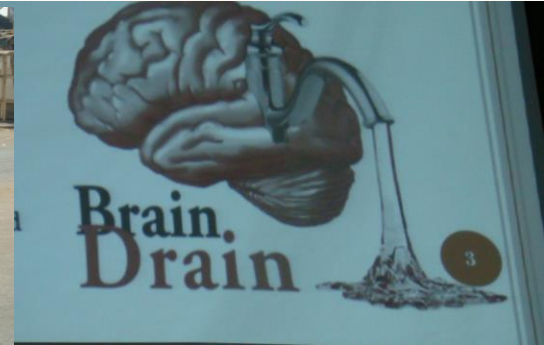

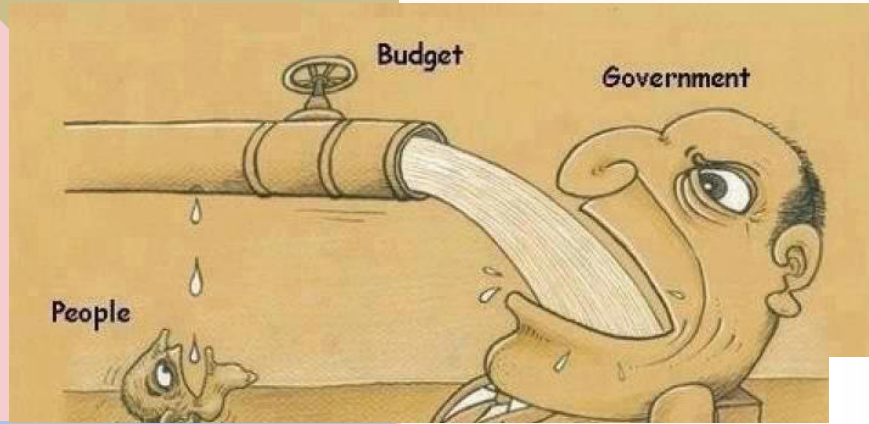

NARRATIVE FROM INDIGENOUS KNOWLEDGE

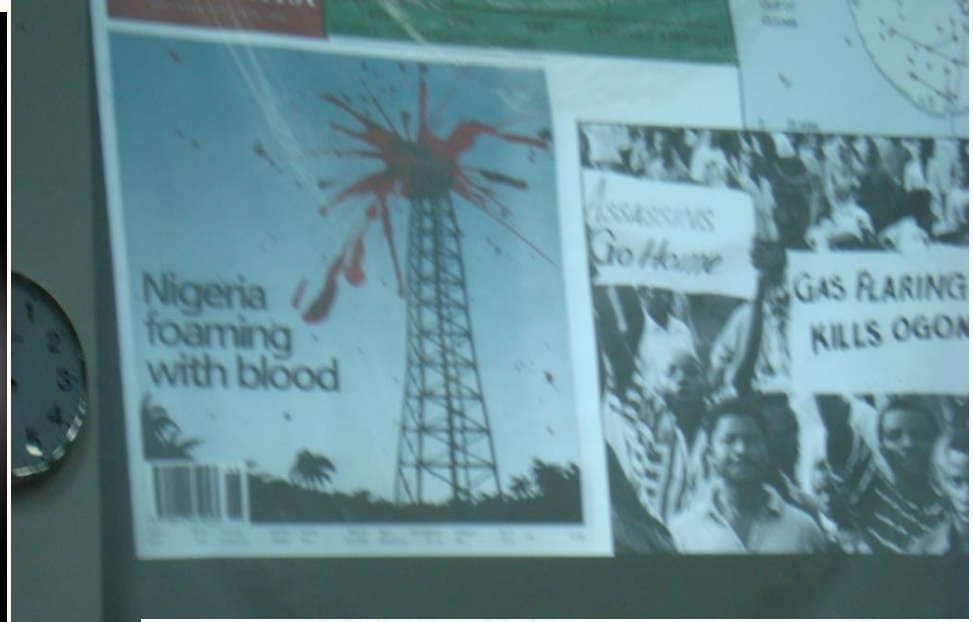

As it is with the human body, so it is with society and her investment in education. Education is clearly expensive, but its opposite, ignorance is far more expensive!

EDUCATION AND SUSTAINABLE DEVELOPMENT

Cogito ergo sum, meaning, *I think, therefore I am* -Rene Descartes

The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education.

Martin Luther King, Jr.
